## Mrs. Joe Cherry, Jr. Again Head Of PTA

Mrs. Joe Cherry, Jr., was re-elected president of the Canal Point Parent-Teacher Association at the April meeting held in the school auditorium Monday night. Mrs. Charles D. Stewart was also re-elected parliamentary.

Other officers elected for the 1960-61 school year were Mrs. W. E. McCall, first vice president; Mrs. R. L. Gray, second vice president; Mrs. Marvin Miller, secretary; Mrs. J. M. Gibson, treasurer; Mrs. R. L. Holt, historian. Mrs. W. E. Blackwell, chairman, gave the report of the nominating committee. The new slate of officers will be installed at the May meeting.

The Canal Point School acknowledged with gratitude a donation of \$50 worth of books to the school library. Principal W. W. White reported that he has received word from the County Board that the ruling a child must live two miles or more from the school to be eligible to ride the school bus to and from school will be enforced, starting next school year.

The monthly attendance award was won by Mrs. Helen Henderson's Second Grade Room. Mrs. Stewart, the parliamentary, submitted the proposed revision of the PTA by-laws which was approved at the meeting and will be sent to the State Congress of Parents and Teachers for final approval before adoption.

Floyd Erickson, program chairman, introduced Miss Jane Lansing, supervisor of Palm Beach County School cafeteria, who explained the care that is taken in planning menus to insure that school children are served well-balanced, healthful meals during the lunch hour. She said 50,000 pounds of milk are consumed by the school children at the cafeteria each school day; also that all but 5 of the school cafeterias in the County are recipients of federal aid food commodities.

Mrs. Tom Braddock, Mrs. R. L. Holt, and Mrs. O. H. Chastain were on the hostess committee for the evening in charge of the serving of refreshments.

## Graveside Services For Bert Williams

Graveside services for Mrs. Berthe Williams Fralin were held at Port Mayaca Cemetery at 2 p. m. Monday. She died in Miami Friday. A native of Claxton, Ga., she lived in Canal Point 15 years before moving to Miami five years ago.

Survivors include her parents, Mr. and Mrs. Gordon Williams of Miami; two sisters, Mrs. Cieta McCarthy of Miami and Mrs. John Groff of West Palm Beach. An uncle, J. H. Wilkinson, Sr., lives in Pahokee and an aunt, Mrs. W. R. Shackford, in Canal Point.

### PATTERSON CIRCLE

Mrs. W. S. Evans will be hostess to members of the Ione Patterson Circle, Canal Point Baptist Women's Missionary Society, at the April meeting at Cypress Lodge, Port Mayaca, Monday, 3 p. m. She will be assisted by Mrs. W. W. White co-hostess. Mrs. J. T. Platt will present the program.

## Hank Aldridge To Be Rote President

W. K. (Hank) Aldridge, manager of McCurdy-Mitchell Supply Co., Inc., was elected new president of the Pahokee Rotary Club at last week's Thursday luncheon meeting.

Other new officers elected were Robert O. Lampi, vice president; Chester A. Batchelor, treasurer; Dr. E. C. Johnson, secretary; Sasser Watson, director of Division A; W. S. Plumer, director B; R. M. Sanders, director C; and Luke Dufresne, director D. All officers were recommended by the nominating committee and elected unanimously without opposition from the floor.

Guest speakers were three candidates for the office of county judge, Paul T. Douglas, Grover C. Herring and John E. Born, who were introduced by President C. E. (Bill) Williams.

## Mr. & Mrs. Murphy Married 50 Years

Mr. and Mrs. E. O. Murphy, former Pahokee residents now living in Miami, will celebrate their 50th wedding anniversary Sunday with an open house for relatives and friends. Hostesses for the occasion will be their four daughters, Mrs. Charles E. Kennen of Greenacres, Mrs. D. C. Barger, Mrs. Lester Bernhard, and Mrs. Wilbur Pinder, all of Hialeah. Those from Pahokee planning to attend include their son and daughter-in-law, Mr. and Mrs. Ellis O. Murphy and son, Pat, and Mrs. Murphy's brother-in-law and sister, Mr. and Mrs. Robert J. Schroder.

The golden wedding couple came to Pahokee from Vicksburg, Miss., in 1931 and moved to Miami in 1942. They have six children, 17 grandchildren and three great grandchildren.

## Census Takers Busy On The Job

Squads of picked crew leaders and census takers will fan out over this area on the night of April 8 in a special 1960 Census drive to count persons who do not have a fixed address. District Supervisor William A. Horton said today.

The census takers will visit missions, all-night theaters, and city parks in this special effort to make sure that all residents of the area are counted. Persons who do not have a fixed address are included in the population of the place in which they are located by the census takers.

The district supervisor pointed out that under Census law, all persons 15 years old and over are required to answer official Census questions. The same law specifies that personal information collected by Census takers must be kept confidential. The person who fully refuses to answer the official Census questions is subject to a maximum fine of \$100 or 60 days in jail, or both. The Census taker who reveals information about individuals to anyone other than a sworn employee of the Census Bureau is subject to a fine of \$1,000 or two years in jail, or both.

## Bill Erickson New Elk Exalted Ruler

William E. (Bill) Erickson of Canal Point was installed new exalted ruler of Pahokee BPOE Lodge 1638 at the annual installation ceremony held in the Elks Home last night, with James W. Vann, district deputy grand exalted ruler, serving as installing officer.

Other new officers inducted were Harold B. Wilkinson, esteemed leading knight; Luke Dufresne, loyal knight; William Hutton, lecturing knight; Edward A. Jensen, secretary; William M. Weathers, treasurer; J. S. Barwick, trustee.

Erickson appointed new standing committees for the coming year. Committee chairman named were Jack Phillips, youth activities; J. M. Elliott, auditing; Luke Dufresne, visiting and flowers; J. S. Barwick, lapstation; Carney Wilder, Elks national foundation scholarship; James W. Vann, Elks national foundation certificates; Frank O'Connell, house; Robert O. Lampi, open ritual; Lee Shirley, membership; Leonard Dobrow, Harry Anna Crippled Children's Home; Luther York, publicity; Carmen Salvatore, veterans rehabilitation; William Hutton, investigating; George Tucker, Jr., lason with ladies auxiliary; Ralph Johnson, legal; Thaddeus Whidden was named presiding justice and James W. Vann, parliamentarian. Other committees with five or more members will elect their own chairman.

## 5285 People Receive State Welfare Aid

Thomas E. Penick, Chairman of District 10 Welfare Board of the State Department of Public Welfare, reported that in Palm Beach County 5,285 persons were assisted in the four categories of public assistance for the month of March.

A total of 1,740 persons received Old Age Assistance in the amount of \$88,247.00. 85 persons received Aid to the Blind, totaling \$5,171.00. 842 families, representing 2,564 children, received Aid to Dependent Children in the amount of \$51,287.00. 194 persons received Aid to the Disabled in the amount of \$10,990.00.

In addition 341 children received service during the month. 173 of whom were in foster homes. The total state and local cost for these child welfare services was \$11,353.92.

There were 6 adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placing agency, and the Welfare Board is responsible according to law to make these reports to the court.

Palm Beach County is also represented on the District 10 Welfare Board by the Rev. Paul M. Cassen, Mrs. Helen R. Todder, Mrs. Helen D. Woodward, West Palm Beach, and Mrs. Doris Sasser, Pahokee.

### PATIENTS AT HOSPITAL

Patients remaining at the Everglades Memorial Hospital Wednesday were Mrs. Edith Pitts, Mrs. Bertha White, Lester Holmes, Mrs. Christine Connell, Mrs. Mary Rutherford, Mrs. Marie Ricke and Thomas Lovelace.

## Bartow Girl Scouts Visit Local Troop

Pahokee Girl Scout Troop 33 had as guests Saturday night during their weekend camping trip to the Highlands Hammock State Park members of Bartow Troop 55. The Campfire program of entertainment included songs and skits.

The troop, accompanied by Mrs. E. C. Johnson, leader, Mrs. Fern Frank, assistant leader, and Mrs. William S. Plumer, Scout committee chairman, arrived at the camp site Friday evening and spent Saturday morning working on nature study badges during a tour of the park. Sunday morning Karen Reed was in charge of the outdoor worship service. Enroute home Sunday afternoon a stop was made at a lake where the Scouts enjoyed swimming.

The entire troop expresses its gratitude to Mrs. Johnson, Mrs. Frank and Mrs. Plumer for a wonderful trip, according to Elaine Salvatore, troop reporter.

## Billy Ray Mosley Pahokee Lions Pres

The nominating committee of the Pahokee Lions Club, R. B. Simonson, chairman, presented its recommendation for a new slate of officers at the Tuesday luncheon meeting. Nominees recommended included Billy Ray Mosley, for president; Dr. R. C. Lane, first vice president; Kyle Scott, second vice president; Paul Collier, third vice president; R. J. Schroder, secretary; Ted Williams, treasurer; Chester Mullis, tail-twister; Billy McKinstry, Lion tamer; D. B. Mathis and T. C. Pennington, directors.

Nominations will be received from the floor at the next meeting and the annual election will be held in May.

Guest speaker was Hod Campbell, financial secretary of the Gulf Stream Council, BSA, who told of Scouting activities within the Council, and how such activities help to keep growing boys with their over-abundance of energy, off the street, away from possible trouble. R. B. Simonson, member of the local Boy Scout troop committee, introduced the speaker, as well as Paul A. Luce, field executive of the Gulf Stream Council, who was also a luncheon guest.

## Contract Let For New Post Office

Postmaster General Arthur E. Summerfield announced today that a contract has been signed for the construction and lease to the Post Office Department of a new Post Office Building in Pahokee, Florida.

The successful bidder is Capital Properties, Inc., of Tulsa, Oklahoma. Ground breaking and construction of the new post office is expected to begin immediately, with completion due November 1, 1960. The lease will run for ten years with two five-year renewal options.

This modern post office will be located on the northwest side of Bacon Point Road, through to West Main Street. It will provide 4,758 square feet of interior space, an outside loading platform, and ample hard-surfaced space for parking and truck maneuvering. Specifications call for new modern lighting and equipment, including a low, open patron-service counter.

Postmaster General Summerfield pointed out that the postal facility to be built in Pahokee is typical of many others going up elsewhere throughout the country. "These new post offices," he said, "contain not only the modern patron-service counters and eye-saving fluorescent lighting, but provision is made for patron service after regular business hours."

The Postmaster General also pointed out that the new post office in Pahokee, one of 1400 new post offices to be built in fiscal 1960, will remain under private ownership while leased to the Federal Government, and hence will pay local real estate taxes to bear its share of the cost of local Government.

The Postmaster General said, "mail users will find mail service in the years ahead improved through an unprecedented five year program of scientific postal research and engineering."

## Regular Meeting Held By Boy Scouts

In spite of rain and bad weather Scoutmasters Louis Mims and Ed Carver with sixteen boys met at the hut on Friday night for their regular meeting. Their guest for the meeting was committeeman Wheeler Ludlum.

It was announced that Scout Dorsey Thompson was in Saint Mary's Hospital for surgery. The boys all wish him a speedy recovery and want him to know their thoughts are with him.

The boys who went on the survival want to thank Mr. Mims and Mr. Carver for taking them. We know they aren't paid in money for the many hours they spend with us at meetings and taking us on camping trips or for any of the good work they do, but we hope they are paid in other ways. We have heard Mr. Mims say he just enjoyed watching the boys have fun. We just want them to know that they are appreciated very much.

The Scout thought for the week is "A Scout is Trustworthy."

Hutton, membership; Mrs. Milton Salvatore, publicity; Mrs. J. L. Reeves, flowers; Mrs. P. S. Parrish, card sales fund-raising project.

It was voted to hold a social honoring new WSCS members. This social will follow the May meeting when the annual drawing of names for circle membership for the new church year will take place. The annual awarding of baby and youth WSCS life memberships will take place during one of the church services instead of at a membership tea, as has been the custom in the past.

### South Africa Sugar Growers Visit Here

Mr. and Mrs. A. W. L. Montifee, sugar cane growers of Mtubatuba, Zululand, South Africa, were visitors at the USDA Sugar cane Field Station in Canal Point, where they inspected new sugar cane varieties and other experimental work being done at the station. Also visitors were Dr. Wybe Krootje, professor of agronomy, Virginia Polytechnic Institute, and 10 of his students from Blacksburg, Va.; Dr. Alberto R. Rafael, agricultural delegate from the Cuban Ministry of Agriculture; Dr. Ray E. Ely, Dr. C. L. Lefebvre, and Dr. Paul J. Jelak, all USDA scientists from Washington, D. C.; and Dr. H. H. Whowski, assistant director, Florida Agricultural Experiment Station, Gainesville.

Mrs. Beas Pettigo of West Palm Beach was the Sunday guest of Mr. and Mrs. Francis Cross.

### Scientists Will Try New Ways To Control Or Eradicate Insects

New methods of insect control or eradication by self-destruction have been suggested by a U. S. Department of Agriculture entomologist whose plan of releasing male screwworm flies, sexually sterilized by irradiation, eliminated this pest in the southeastern states and the Caribbean island of Curacao.

Dr. Edward F. Knipling now proposes: (1) development of chemicals to produce sterility in male and female insects; (2) production and release of diseased insects to infect and kill their kind; and (3) production and release of insects having inferior or lethal genetic characteristics so as eventually to destroy an insect race.

He believes these methods might prove more effective than sterilization by irradiation, which has been found to reduce longevity and mating vigor in certain treated insects released for control purposes. In some instances, at least, the new methods might prove more effective than use of insecticides.

Dr. Knipling points out, however, that his proposed methods require basic entomological research on reproduction genetics, pathology, and other factors that would determine how to use the new methods and to what kinds of insects they would apply.

Meanwhile, Agricultural Research Service entomologists are extending use of male insect irradiation method to oriental fruit flies and melon flies in a pilot test soon to be launched on Rota, one of the Marianas group of Pacific islands about 30 miles from Guam.

At the same time another new plan of insect eradication will be tried out on a large scale on the Bonins, Pacific islands 450 miles south of Japan. Under this plan male oriental fruit flies will be lured to a powerful synthetically-produced attractant mixed with

an insecticide. If the Pacific tests are successful, they will encourage more research on both the irradiation and the attractant methods for other insect pests of crops, animals, and man.

Dr. Knipling says the right kind of chemical insect sterilization might easily outdo some of the best of known insecticides. Development and release of insects carrying diseases harmful only to their own kind would be of greatest advantage against multiple-mating insects.

### School Of Missions Scheduled May 1-6

The Canal Point Baptist Church will participate in an Associational School of Missions in the Palm Lake Association during the week of May 1-6. During the week, the people who attend the services hear 7 Missionaries speak.

The Rev. F. O. Polston, of Portals, New Mexico will be the guest of the Canal Point Baptist Church for the week. He will go to other Churches in the Association, but will return to Canal Point each night during his stay here in our Association.

### Glades USDA Club Holds April Meeting

The newly organized Everglades USDA Club held its April meeting at Ray's Smoke House Wednesday with Weldon H. Cardin of Pahokee, vice president, presiding in absence of President Don Fishler of Belle Glade who is on an assignment with FOA in Colombia, S. A.

Dr. E. H. Todd, chairman of the education and training committee, reported Dr. E. L. LeClerg, chief of biometrical service, ARS, Washington, D. C., will teach a course on "Experimental Plot Technique" for USDA personnel of the Glades area if as many as 15 sign up for the course.

B. A. Belcher, program chairman, introduced Mills H. Byrom who showed a color movie, "Better Living through Research." It was announced M. U. Mounts, Palm Beach County agricultural agent, will be guest speaker at May 11th meeting. Dr. Wilbur L. Hurst, head of cotton and fiber ginning section, AERD, ARS, was a guest.

Mr. and Mrs. Roland Todd and son have moved from Pahokee to Belle Glade where Mr. Todd is manager of the National Guard Armory.

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67... a \$37.50 Bond will be worth \$67.34... and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25¢ a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90... in 9 years and 8 months, you'll have \$2,850.70... and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid  
your interest as current income—  
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

## Florida Vegetable Judging Contest Is Slated At Orlando

ORLANDO—The 1960 State 4-H Vegetable Judging, Grading and Identification Contest is scheduled for Orlando on Saturday May 21.

J. D. Norton, assistant vegetable crops specialist with the Florida Agricultural Extension Service, says the program will begin at 10 a. m. in the Orange County Agricultural Center.

Contestants will judge 3 classes of vegetables, identify a number of varieties, insects, diseases, weeds and potato grade defects, and grade 100 specimens of sweet or Irish potatoes.

The high scoring county team receives a trophy and a trip to the National Junior Vegetable Growers Association convention at Colorado Springs, Colorado, to enter national competition. Awards in the state contest are provided by the Florida Fruit and Vegetable Association.

Mr. and Mrs. A. I. (Bud) Davis had as guests over the weekend their son and daughter-in-law, Mr. and Mrs. Darryl Davis of Melbourne; and their daughters, Miss Wilda Davis of West Palm Beach, and Miss Donna Davis, student at Charron-Williams Commercial College, Miami.

## Sterilization With Chemicals Tried As Fly Control Method

Self-annihilation of insects by chemical sterilization, which prevents reproduction, is being tried in experiments by U. S. Department of Agriculture scientists as a means of controlling houseflies and fruit flies.

These experiments mark the first laboratory trials of one of three new methods of insect control or eradication by self-destruction proposed recently by Dr. Edward F. Knippling, head of entomological research for the Department's Agricultural Research Service. They will provide basic information on possibilities of applying the principle of induced sterility by means of chemicals.

The compound being experimentally used to sterilize the flies is a modified glutamic acid. Trials have shown that a concentration of as little as 1-100th of 1 percent of this chemical added to food for laboratory-reared houseflies has prevented egg-laying or hatching, and that 0.5 of 1 percent in a single feeding will cause permanent sterility in female flies. Although satisfactory for use in testing the principle of chemical sterilization, the modified acid may not prove completely suitable as a practical means of insect control by this method. The experiments are being conducted at USDA's entomology laboratory at Orlando, Fla., by Drs. Germain C. Labrecque and Carol N. Smith, and Patrick H. Adecock.

## Use Insecticides Safely On Farm

GAINESVILLE—Florida farmers use large quantities of insecticides, and James E. Brogdon, entomologist with the Florida Agricultural Extension Service, says they should be sure they are using the insecticides safely.

Here are rules for safe use of insecticides suggested by the National Safety Council and National Agricultural Chemicals Association:

First, read the label on the pesticide container. Follow instructions and heed all cautions.

Second, store pesticides where children, pets and irresponsible people can't get into them. A good way is to keep them in a locked shed or closet, away from food and feed.

Third, keep pesticides in their original, labeled containers. This way everyone who sees the container will know what it contains.

Fourth, dispose of empty containers promptly and in a way that will pose no hazard to humans, animals or valuable plants.

That's all there is to it—four simple things to remember and do—to make sure you are using pesticides safely on your farm.

## Personal

Mrs. Ada Culberson is the houseguests of her son and daughter-in-law, Mr. and Mrs. A. E. Culberson, while recuperating from leg injuries suffered in a recent fall. On Sunday among those visiting her were her granddaughter, Mrs. Merle Engfinger, and Mr. Engfinger of Miami.

Mrs. W. R. (Bill) Easterly visited her brother-in-law and sister, Mr. and Mrs. James Demetreu, at Fort Myers Sunday and enroute home also visited her father, George Cason, and other relatives, at LaBelle.

Mr. and Mrs. Robert Fisher and family had as recent guests her brother-in-law and sister, Mr. and Mrs. C. A. Wade and family of Crestview. While here the Wades and the Fishers motored to Fort Lauderdale to visit Mr. and Mrs. O. F. Underwood, the parents of Mrs. Wade and Mrs. Fisher. Mr. Underwood being ill.

a castle in the air costs nothing  
—but you can't live in it!

Make your dream house come true! It's easy  
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

*If you want your interest at current income, ask your bank about Series E Bonds, which pay interest annually by Treasury check.*

Choose your own savings goal

Corvair named **"CAR OF THE YEAR"**

"Four-wheel independent suspension totally unlike any other U.S.-built car" . . . "air-cooled aluminum engine . . . not dependent on the properties of a liquid coolant" . . . a rear-mounted transaxle "allowing a flatter floor and a lower roofline. . . ." These are some of the praises heaped upon Corvair by the editors of Motor Trend—the world's largest general automotive magazine—in announcing their coveted Car-of-the-Year award. Other cars didn't even come close. The Motor Trend experts, who evaluated every make in the country, were unanimous in their decision, published in the April issue. But, unless you have personally driven a Corvair, you can't appreciate what this engineering achievement really means in combining compact car economy and agility with big for economical transportation car ride, room and sure-footedness. Drop down to your dealer's, take a trial drive and then judge the Car of the Year for yourself!
